

# Juiced Up Business!

How to have "more everything\*" in 2007!

Are you sick of working hard to achieve your business goals and keep your team motivated? How about exchanging working hard for working smart? In this 2½ hour evening seminar, you will discover how to squeeze more goodness into your business & life, using five keys to unlock more productivity, more customer satisfaction, more profitability...or, to quote Jerry Seinfeld, "more everything"!

**WARNING! This is NOT a seminar on diet or nutrition. It contains only ideas that will change your effectiveness and profitability - what might that mean to YOU?**

In this dynamic and highly interactive workshop, you will learn:

- ! Which of your team members are low on Juice and why.
- ! The critical balance between energy and alignment.
- ! The five keys to a Juiced Up Business/Life!
- ! How to give employees what they really want from their work
- ! How to create a Juiced Up Workplace in which people want to do their very best
